

Up-Coming Blood Drives in Mifflin and Juniata Counties

Please consider a donation of this precious gift of life. Donors must be at least 17 years old and weigh more than 110 lbs. Red blood cells expire every 42 days and due to the high demand, the Red Cross continually asks donors to replenish the blood supply (donors can give blood every 56 days).

Find upcoming blood drives below, or call 1-800-GIVE LIFE to locate a blood drive near you. Walk-ins are welcome. If you prefer to make an appointment call 1-800-GIVE LIFE or register online at www.givelife.org.
