## *Challenges and Reviews*

Challenge Courses are available on the first and second Tuesday of each month. The costs of challenges are half of course cost. Challenges start at 8:30am. Challenges do not include watching the video/DVD. Challenges also do not include assistance from the instructor as far as proper demonstration of the skills.

Reviews are also done on the first and second Tuesday of each month at 8:30 am. You are allowed to watch the video/DVD and practice the skills before you take the skills and written tests. Reviews must be completed by 12:00 pm. To be eligible for a review, participants must have participated in the desired American Red Cross (or equivalent) certifications and had their certifications expired no more than 12 months ago.

The costs are listed below:
